STRICTLY NECESSARY COOKIES			
FIRST-PARTY COOKIES			
Cookie name	Source	Purpose	Expiration
ASP.NET_SessionId	Morganlewis.com	This is a general purpose session cookie used to maintain an anonymized user session by the server. This cookie contains only a randomly generated session ID (e.g., ub4zu5v2fveixzadjbg5zcgj).	When browser closes
OptanonConsent	Morganlewis.com	This cookie is set by the cookie compliance solution from OneTrust, allowing the site to identify whether visitors have given or withdrawn consent for the use of cookies.	1 year
__RequestVerificationToken	Morganlewis.com	This session cookie is an anti-forgery token used with pages that contain forms. It sets an encrypted, randomly generated, unique verification token for each user session.	When browser closes
ml#lang	Morganlewis.com	This session cookie is used to store the last selected language as the user reads content in multiple languages and moves between pages on the site.	When browser closes
THIRD-PARTY COOKIES			
Cookie name	Source	Purpose	Expiration
__cfduid	Onetrust.com	This cookie is associated with sites and services, such as OneTrust, that use CloudFlare to identify trusted web traffic, detect malicious visitors to customer websites, and minimize blocking legitimate users. Indirectly, this is set in websites that use the OneTrust cookie plugin.	1 year
ANALYTICAL/PERFORMANCE COOKIES			
FIRST-PARTY COOKIES			

Cookie name	Source	Purpose	Expiration
_ga	Morganlewis.com	Associated with Google Universal Analytics, this cookie is included in each page request in a site and is used to calculate visitor, session and campaign data for analytics reports. It stores a randomly generated number as a user identifier, which is used to distinguish unique users (e.g.: GA1.2.2073964852.1543828310).	2 years
_gid	Morganlewis.com	Associated with Google Universal Analytics, this cookie stores and updates a unique value for each page visited. It is used to group user behavior together for each user.	24 hours
_gat	Morganlewis.com	This cookie is used by Google Analytics to limit or throttle the number of requests that have to be made to increase efficiency of network calls. It does not store any user information. Typically, the cookie only includes a "1".	10 min
SC_ANALYTICS_GLOBAL_COOKIE	Morganlewis.com	This cookie is used by Sitecore's analytics to identify repeat visits from a single user. It stores a randomly generated identifier that is used to distinguish unique users. It is also used to assist with page-level personalization.	1 year
isInternal	Morganlewis.com	This session cookie is created using Google Tag Manager to identify and segment internal (Morgan Lewis) traffic from external traffic in order to filter out internal traffic in analytic reports.	When browser closes
